PREFACE.

THE publishers, in presenting their Nineteenth Annual Edition of the City of Hamilton Directory, gratefully acknowledge the support awarded them, and assure their patrons, that all means in their power have been exerted to make the work as thorough and reliable as it is possible for a compilation of this kind to be. *The present volume contains about 14,000 names of males (adults), widows, and women engaged in business, being 28 per cent. of the estimated population (50,000).* We claim that in everything essential this work is equal to any similar compilation published on this continent.

Wishing our patrons a favorable year, we take our leave, hoping in due time to request their support for the twentieth edition of this book. Please see that all orders bear our name.

THE COMPANY ISSUES POLICIES ON ALL APPROVED PLANS.

THE COMPOUND INVESTMENT PLAN

possesses all the advantages of the Company's favorite Semi-Tontine Plan, with the addition that after it has existed for ten years the Company will loan to the holder, if he so desires, the premiums payable for the remainder of the term, to enable him to keep the policy in force to the end of the Investment period. Should death occur any time after the tenth year the full amount of the policy is payable, and the loan [if any] cancelled.

The Policy Contract is a Simple one, free from onerous conditions and uncontrollable after three years.

 *Subscribers only are eligible for insertion in this part of the work. It is obvious that those who support it should be entitled to greater advantages than others.*

We have frequent complaints of certain parties who persistently borrow Directories of their more liberal neighbors. The only remedy is not to lend it. It is within the reach of every business man. Every man's name is found in the Alphabetical Directory.
